My COVID-19 Day Tracker

There is a lot of information and important details to keep organized after you test positive for COVID-19.

This worksheet is to help you organize important dates like when your symptoms started, you tested positive for COVID-19, you were infectious, or how long you need to self-isolate. Fill in the dates that apply to you.

2 days before (48 hours):
I may have been infectious.

1 day before (24 hours):
