

COVID-19 VIRUS:

Common Questions About the Signs

You may not feel sick but could have some warning signs.

If you answer yes
to even one of
these questions,

complete a COVID-19
Self-Assessment at
811.novascotia.ca
or call 811.

Do you have a fever (chills or sweats) or a cough (new or getting worse)?

Complete a COVID-19 Self-Assessment at 811.novascotia.ca or call 811.

Or, do you have two or more of these symptoms?

If you have any combination of sore throat, runny nose, headache, or shortness of breath, **complete a COVID-19 Self-Assessment at 811.novascotia.ca or call 811.**

Can my children have signs?

Yes, if your child has signs, **complete a COVID-19 Self-Assessment at 811.novascotia.ca or call 811.**

If adults living together have signs, **complete a COVID-19 Self-Assessment at 811.novascotia.ca or call 811.**

A family member, friend or neighbour has signs of being sick. What do I do?

Encourage them to complete a COVID-19 Self-Assessment at 811.novascotia.ca or call 811.

If you have had close contact with them, watch for signs.

If you experience other symptoms that are a concern for you, complete a COVID-19 Self-Assessment at 811.novascotia.ca or call 811 to speak with a nurse.
